

Order Form – Limited quantity available – Reserve your birds today!

Minnesota food laws require that we sell you a live bird. We will custom process your birds on our farm at approximately 7-10 weeks of age. We do require a \$5 deposit per bird due along with this order form. The end cost is \$2.40 per pound for whole birds, \$2.50 per pound for cut birds, minus your deposit, due at the time of picking up your birds. We will contact you about a week before your birds will be ready for pickup. If you do not want your birds to be frozen, you will need to pick them up on the day of processing. Our next flock will be ready approximately late September of 2013.
